

INTERNAL QUALITY ASSURANCE CELL
ACTION TAKEN REPORT
2020-21

1. Employed a survey on 'Multiple impact of Covid-19 among the students of NMSM Govt college' and submitted a detailed report.
2. IQAC in association with Jeevani centre for Students' well-being conducted a survey for identifying the stress and emotional well-being of students during pandemic time and organized a webinar addressing various psychological issues faced by the students.
3. Organized a seminar as part of social outreach programme in association with the Dept of SC/ST Development, Kerala for the tribal women of Padapuram colony.
4. Conducted feedback of Alumni, Parents, Students and Teachers and effective follow up have been taken based on the feedback .
5. To alleviate the monotony caused by the pandemic, the IQAC, in collaboration with the Department of Languages, decided to organize weekly online literature and cinema review sessions. These reviews were conducted regularly, and the compiled reviews were published as a book with an ISBN number.
6. To ensure every student had access to education during the pandemic, class tutors regularly gathered feedback from students about their progress and the support they required to access online resources. Students experiencing financial challenges were assisted with mobile phone facilities.
7. Oversaw the creation and distribution of the academic calendar and timetables for the college during the pandemic period.
8. Feedback conducted and report prepared on the basis of the feedback and actions taken in line with the responses obtained.
9. In collaboration with the Department of Languages, a social outreach program was conducted at a tribal colony. A program focused on English communication was organized, with college students appointed as resource persons.
10. Established a library for the children of the nearby tribal colony with the support of the NSS unit.
