MINORITY CELL REPORT 2019-2020

Overview

The Minority Cell at NMSM Government College Kapletta is committed to supporting the academic and social well-being of minority students. Through various initiatives, the cell aims to create an inclusive and supportive environment for all students, regardless of their religious background.

Key Activities and Achievements

- **Equal Opportunities:** The cell is dedicated to providing assistance and enhancing equal opportunities for the education of minority students.
- **Scholarship Disbursement:** During the academic year 64 students enrolled under C H Mohammad Koya Memorial Scholarship and 22 students availed Post Matric Scholarship. A total of 86 students enrolled under the minority scheme and an amount of Rs.3,91,000/- was disbursed as grants to these students.
- **Admission Monitoring:** The cell monitored the admission of minority students to the institution, ensuring fair representation.
- **Minority Scholarship Verification:** The cell verified the details of students who availed minority scholarships.
- **Inclusive Participation:** The cell ensured the representation of minority students in all activities conducted by the College, promoting inclusivity and equality.

Impact and Outcomes

The Minority Cell's efforts have had a positive impact on the lives of minority students at NMSM Government College Kapletta. By providing support and resources, the cell has:

- Increased the retention and graduation rates of minority students.
- Enhanced the academic performance of minority students.
- Fostered a sense of belonging and community among minority students.

Recommendations

To further strengthen the Minority Cell's activities and impact, the following recommendations are suggested:

- **Expand Outreach:** The cell could explore ways to reach out to a wider range of minority students, including those from marginalized communities.
- **Strengthen Partnerships:** Building stronger partnerships with external organizations can provide additional resources and support.

- **Advocate for Inclusive Policies:** The cell can advocate for policies that promote inclusivity and equity within the college.

Conclusion

The Minority Cell at NMSM Government College Kalpetta has been instrumental in supporting the academic and social well-being of minority students. By continuing its efforts and exploring new avenues for growth, the cell can make a significant contribution to creating a more inclusive and equitable educational environment.

MINORITY CELL REPORT 2020-2021

Overview

The Minority Cell at NMSM Government College Kapletta is committed to supporting the academic and social well-being of minority students. Through various initiatives, the cell aims to create an inclusive and supportive environment for all students, regardless of their religious background. The first term meeting of the Minority Cell was held on 15th July 2020 in the Principal's Chamber. The cell actively engaged in coordinating and resolving the problems related to the students of minority community. The cell encouraged the minority students to get involved in Walk With the Scholar programme and the Scholar Support Programme for acquiring proper guidance and support in academic and co-curricular fields.

The meeting held on 22nd March 2021, made an overview of the activities of the cell.

Key Activities and Achievements

- **Equal Opportunities:** The cell is dedicated to providing assistance and enhancing equal opportunities for the education of minority students.
- **Scholarship Disbursement:** During the academic year 2020-21, 62 students availed C H Mohammad Koya Memorial Scholarship and 76 students availed Post Matric Scholarship. A total of 31 students availed scholarships under minority scheme and an amount of Rs. 4,29,000/- was disbursed as grants to minority students.
- **Admission Monitoring:** The cell monitored the admission of minority students to the institution, ensuring fair representation.
- **Minority Scholarship Verification:** The cell verified the details of students who availed minority scholarships.
- **Inclusive Participation:** The cell ensured the representation of minority students in all activities conducted by the College, promoting inclusivity and equality.

Impact and Outcomes

The Minority Cell's efforts have had a positive impact on the lives of minority students at NMSM Government College Kapletta. By providing support and resources, the cell has:

- Increased the retention and graduation rates of minority students.
- Enhanced the academic performance of minority students.
- Fostered a sense of belonging and community among minority students.

Recommendations

To further strengthen the Minority Cell's activities and impact, the following recommendations are suggested:

- **Expand Outreach:** The cell could explore ways to reach out to a wider range of minority students, including those from marginalized communities.
- **Strengthen Partnerships:** Building stronger partnerships with external organizations can provide additional resources and support.
- **Advocate for Inclusive Policies:** The cell can advocate for policies that promote inclusivity and equity within the college.

Conclusion

The Minority Cell at NMSM Government College Kalpetta has been instrumental in supporting the academic and social well-being of minority students. By continuing its efforts and exploring new avenues for growth, the cell can make a significant contribution to creating a more inclusive and equitable educational environment.

MINORITY CELL REPORT 2021-22

Overview

The Minority Cell at NMSM Government College Kapletta is committed to supporting the academic and social well-being of minority students. Through various initiatives, the cell aims to create an inclusive and supportive environment for all students, regardless of their religious background. The newly formed cell held its inaugural meeting on August 13, 2021. Sri.Basheer K K, Assistant Professor in the Economics department, was appointed as the cell's coordinator for the 2021-22 academic year.

As decided during the first meeting, the cell members oversaw the implementation of the institution's reservation policy. They also informed tutors about the government's revised stipend disbursement guidelines. The updated order was shared with students and parents through relevant WhatsApp groups.

While there were some initial misunderstandings regarding stipend disbursement, Smt Usha K V, the office staff responsible for scholarships, verified the financial aid details with the concerned government office. Any grievances related to non-receipt of stipends were promptly addressed with the office's timely intervention.

Key Activities and Achievements

- **Financial Support:** The cell assisted minority students in obtaining financial support from governmental agencies.
- **Scholarship Information Dissemination:** Information regarding scholarships was circulated through tutors to ensure students were aware of available opportunities.
- **Scholarship Disbursement:** During the academic year 2021-22, 58 students availed C H Mohammad Koya Memorial Scholarship and 51 students availed Post Matric Scholarship. A total of 109 students availed scholarships under minority scheme and an amount of Rs. 4,49,000/- was disbursed as grants to minority students.
- **Premarital Counseling:** In collaboration with the Women's Cell and the Directorate of Minority Welfare, the cell conducted a successful premarital counseling program.
- **Scholarship Verification:** The cell verified the financial assistance given to minority students, ensuring they were receiving the correct benefits.
- **Inclusive Participation:** The cell ensured the participation of minority students in all college programs, promoting inclusivity and equality.

Impact and Outcomes

The Minority Cell's efforts have had a positive impact on the lives of minority students at NMSM Government College Kalpetta. By providing support and resources, the cell has:

- Increased the retention and graduation rates of minority students.
- Enhanced the academic performance of minority students.
- Fostered a sense of belonging and community among minority students.

Recommendations

To further strengthen the Minority Cell's activities and impact, the following recommendations are suggested:

- **Expand Outreach:** The cell could explore ways to reach out to a wider range of minority students, including those from marginalized communities.
- **Strengthen Partnerships:** Building stronger partnerships with external organizations can provide additional resources and support.
- **Advocate for Inclusive Policies:** The cell can advocate for policies that promote inclusivity and equity within the college.

Conclusion

The Minority Cell at NMSM Government College Kalpetta has been instrumental in supporting the academic and social well-being of minority students. By continuing its efforts and exploring new avenues for growth, the cell can make a significant contribution to creating a more inclusive and equitable educational environment.
