ACTION TAKEN REPORT ON ALUMNI FEEDBACK

ACADEMIC YEAR 2022-23

The alumni of NMSM Government College Kalpetta remain a vital part of the college community, continuing to contribute to its growth and success. In the 2022-23 academic year, alumni played a key role in several initiatives, particularly in community outreach programs. Under the Sahavarthithwa program, alumni collaborated with the college to address the needs of tribal communities and the visually impaired. This partnership expanded to include areas such as healthcare and skill development, reflecting the strong bond between the institution and its former students.

The college's focus on strengthening industry ties and expanding MOUs with local businesses and academic institutions also created valuable networking opportunities for alumni. Many alumni benefitted from these initiatives by gaining access to new career paths, internships, and employment opportunities. The college's commitment to sustainability, as demonstrated by the installation of solar power panels and efforts to reduce the campus's carbon footprint, resonated with alumni, many of whom share these values. As a result, alumni have maintained strong connections with the institution, supporting its efforts both financially and through active participation in various programs.
