### **ACTION TAKEN REPORT ON ALUMNI FEEDBACK**

**ACADEMIC YEAR 2023-24**

The alumni of NMSM Government College Kalpetta continue to play an essential role in shaping the institution's future. In the academic year 2023-24, the college expanded its alumni engagement by involving them in key initiatives such as the Hunger Free Campus program. Alumni have supported this initiative, which aims to provide affordable meals to students, ensuring that the student body remains well-nourished and focused on their academic pursuits.

Alumni have also been instrumental in supporting the college's efforts to improve internet connectivity on campus. Many former students, who have gone on to excel in various professional fields, recognize the importance of access to digital resources and have contributed to the push for a fully internet-enabled campus.

Additionally, the dedicated exam center planned by the college is expected to benefit both current students and alumni. Many alumni, who continue to pursue further studies or professional certifications, will have access to this modern facility, allowing them to take competitive exams in a familiar and supportive environment.

The alumni network remains an integral part of the NMSM Government College community, with former students actively participating in the growth and development of the institution, contributing to its ongoing success and legacy.
