ACTION TAKEN REPORT ON EMPLOYERS FEEDBACK

ACADEMIC YEAR 2022-23

Employers of alumni from NMSM Government College Kalpetta have consistently praised the skills and readiness of graduates from the 2022-23 academic year. The college's initiatives to strengthen industry relationships, through the establishment of MOUs and enhanced student internship opportunities, have resulted in graduates who are well-prepared to enter the workforce. These efforts have given students the chance to gain real-world experience in their chosen fields, making them more competitive in the job market.

Employers have also noted the positive impact of the college's emphasis on research and sustainability. Graduates from NMSM Government College Kalpetta are seen as socially conscious and academically capable individuals, ready to take on challenges in a variety of sectors. The skills imparted through both the college's research programs and the faculty's professional development initiatives have been particularly valuable. Employers appreciate that alumni not only possess strong academic foundations but are also adept at critical thinking, problem-solving, and adapting to new technologies—skills that are essential in today's rapidly evolving job market.

In particular, the college's focus on improving digital resources and expanding library access has provided graduates with the ability to navigate information systems effectively, which is a key asset in many professional environments. Alumni have proven to be innovative, well-rounded employees, much to the satisfaction of their employers.
