ACTION TAKEN REPORT ON EMPLOYERS FEEDBACK

ACADEMIC YEAR 2023-24

Employers of NMSM Government College Kalpetta alumni have consistently praised the graduates' preparedness for the workforce. The academic year 2023-24 saw the college implement several initiatives aimed at enhancing students' skills and employability, making alumni even more competitive in the job market.

The college's efforts to strengthen leadership and communication skills through expanded club activities have been particularly valuable in preparing students for leadership roles in their respective fields. Employers have noted that alumni demonstrate strong teamwork, communication, and problem-solving abilities, all of which are fostered through the college's extracurricular programs.

Furthermore, the introduction of a dedicated exam center, supported by government and KIIFB, has given alumni access to a modern and convenient facility for competitive exams. Employers appreciate that graduates from NMSM Government College are equipped with the necessary skills and certifications to excel in their careers.

Finally, the college's emphasis on maintaining a clean and sustainable campus has instilled a sense of environmental responsibility in its alumni, a trait highly valued by employers. Overall, the institution's commitment to both academic and personal development has produced graduates who are well-rounded, capable, and ready to contribute to the workforce in meaningful ways.
