ACTION TAKEN REPORT ON STUDENTS FEEDBACK

ACADEMIC YEAR 2023-24

In the academic year 2023-24, NMSM Government College Kalpetta focused on enhancing the overall student experience through a variety of initiatives. One of the key actions was the college's plan to strengthen internet connectivity across campus. This was in response to student feedback highlighting the need for better access to online resources, which are increasingly vital for academic success in the modern era. The goal is to make the campus fully internet-friendly.

Additionally, the college placed significant emphasis on extracurricular activities, recognizing their role in developing well-rounded individuals. The activities of various student clubs were expanded with the goal of improving leadership and communication skills among students. These clubs provide a platform for students to engage in collaborative learning outside of the classroom, fostering a sense of community and responsibility.

The Hunger Free Campus initiative was another highlight for students. The number of beneficiaries of this program increased, allowing more students to access affordable meals. This initiative ensures that no student faces food insecurity and can focus on their studies without the distraction of hunger.

Efforts to maintain a clean and safe campus were also implemented, with waste bins strategically placed around the college to promote cleanliness. This initiative not only improves the campus environment but also teaches students the importance of environmental responsibility.

Lastly, the college is working towards establishing a dedicated exam center for both online and offline competitive examinations. This center, supported

by government and KIIFB, will provide students with access to a convenient and modern facility for exams, ensuring they are well-prepared for future academic and professional challenges.

A handwritten signature in green ink is written over a purple rectangular stamp. The stamp contains the text 'S.B.H. G. COLLEGE, KAPETTA' in a serif font.
