ANALYSIS OF FEEDBACK 2022-23

A good feedback system in a college from its stakeholders plays a significant role in improving academic standards of students as well as performance of teachers. The college has an effective system for collecting and analysing the feedback of students, teachers, parents and alumni regarding teaching, learning process other facilities including the infrastructure. After analyzing the feedback, feedback reports are prepared. Based on the feedback reports, the college takes adequate measures to correct the limitations.

In the academic year 2022-23, feedback from the employers were collected by means of Google form. The analysis of the survey is given below:
