ANALYSIS OF FEEDBACK 2021-22

A good feedback system in a college from its stakeholders plays a significant role in improving academic standards of students as well as performance of teachers. The college has an effective system for collecting and analysing the feedback of students, teachers, parents and alumni regarding teaching, learning process other facilities including the infrastructure. After analyzing the feedback, feedback reports are prepared. Based on the feedback reports, the college takes adequate measures to correct the limitations.

In the academic year 2021-22, feedback from alumni were collected by means of Google form. Alumni's opinion on various questions are measured in five point scale (Excellent, Very good, Good, average and poor). A random sample of 44 old students from all the departments of the college was selected. The data collected has been analysed and the results given below

	Total	35	100.0

Overall rating by alumni about college is excellent

Suggestions from alumni for improvement of curriculum and growth of the college

1. On the job experience for each courses will definitely helps to improve the student life rather than purely concentrating on syllabus and books
2. Premote extra curriculum activities
3. Improve our rapport with students and teachers.
4. Campus selection is must, when it comes to a college
