ANALYSIS OF FEEDBACK 2021-22

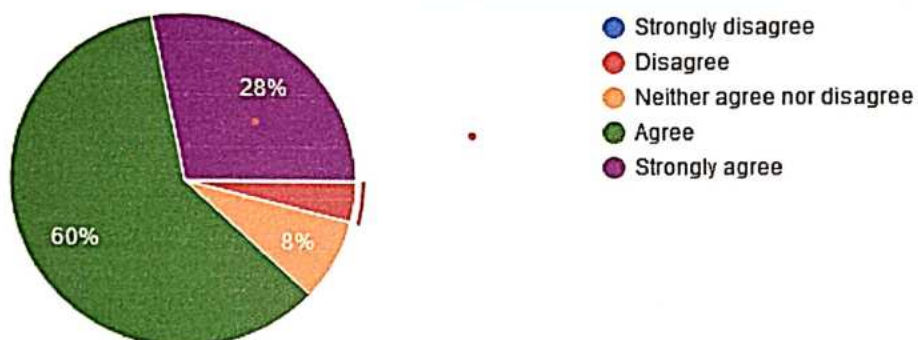

A good feedback system in a college from its stakeholders plays a significant role in improving academic standards of students as well as performance of teachers. The college has an effective system for collecting and analysing the feedback of students, teachers, parents and alumni regarding teaching, learning process other facilities including the infrastructure. After analyzing the feedback, feedback reports are prepared. Based on the feedback reports, the college takes adequate measures to correct the limitations.

In the academic year 2021-22, feedback from teachers were collected by means of Google form.

Suggestions of teachers

1. Ensure sufficient working days
2. Need to make curriculum time bound
3. Practical oriented programme should include in syllabus especially for enhance research capability among PG students
4. It should be more learner centered
5. When it comes to English, students should have an exposure to literary texts from the beginning. Here, they study literary history only which is monotonous at times.
6. Include visual culture
7. Curriculum to be more flexible
8. More practical sessions needed
